RACE TO FINISH BREAST CANCER

The Pink Walkathon is part of the Safe & Sound breast cancer awareness campaign. (Shamnad)

One small step, a giant leap against breast cancer. Over 4,000 residents of Dubai assembled outside BurJuman Centre this morning, to put their best foot forward and raise awareness about the disease. To the beating of drums, the rolling of prams and the chatter of solidarity, many crossed the finishing line of the designated 3.6 km walk. For those who were too lazy to get out of bed and join in, check out what you missed on **Pages 2 and 3**

www.nmc.ae Department of Interventional Cardiology member nmc

Your 'lunch break' is time enough to get the blockages of your heart diagnosed.

Department Highlights:

- Outpatient Consultation & Executive Health Checks
- Coronary Angiography, Angioplasty & Stenting
